# Lockable Service Docking Station for use with Airone 1000RS mobile fume cupboard

Standard docking station

New upgraded version  
with RJ45 option.

**Designed specifically to offer an  
additional safety feature within  
the laboratory.**

**The (mobile fume cupboard)  
service docking station stops unauthorised access to mains service  
supplies.**

**Water, waste and gas are securely locked away when not in use.**
